❖ Summer Registration

To enroll, complete the registration form, and return it to the office with your deposit as soon as possible. Registration will be on a first-come first-served basis. While our summer programs are designed to supplement our academic year programs, no spots are guaranteed to currently enrolled DVMS students.

A non-refundable deposit equal to the tuition of your first program per child is required to reserve a place in the summer programs.

The deposit will be applied to the first program your child attends. Thirty days written notice is required prior to the start of a program to withdraw or change from a program without forfeiting your deposit. (Note: A separate check is required for summer school payments. Please do not combine with tuition for the school year.) For children not previously enrolled in DVMS, there is an additional \$115 non-refundable application/registration fee. We reserve the right to cancel a program not fully enrolled, staffed or to change staffing as necessary.

An application form (for new students), current emergency information form, health form, and immunization record are required before the program begins. Pick up forms in the office when you submit your registration form and deposit.
