The Parents Club is responsible for parent engagement, education & teacher appreciation. This year we have some returning members as well as some new members who are new to DVMS. Annie Myers will be leading the Kindness Committee, which will be tasked with providing opportunities to teach our children about kindness and giving back to our community. Also new this year is an effort to include grandparents as part of our outreach. Our resident and much loved grandparent, Mimi Berg, has graciously agreed to help with outreach to the grandparent community. If you don’t have time to volunteer, than sign up a grandparent who wants to join the fun!

As you are aware, the DVMS community is one of the reasons why the school is so special and the Parents Club plays an important role in that. Without the help of our parents, we would not be able to hold events such
as the Ice Cream Back to School Social or the Butterfly Fun Run Fall Fest, which families have enjoyed immensely in past years. With that being said, please sign up at the links below to help with these upcoming events so we can make sure we continue to have these events. If you are interested in becoming involved in the Parents Club, please contact Suzette or Vernita.

Thanks,
Vernita
