Message from Suzette

The DVMS Website, click here isn't just for prospective parents. There is valuable information for current families as well. Check out the Parent tab for information on Volunteering, Parent’s Club, Parent Education, Emergency Procedures, Parent Portal, Forms and Information and past DVMS Newsletters. You can also access the DVMS Google calendar and learn about the teachers in your child’s class on the website. Be sure to familiarize yourself with the Parent Portal and Forms and Information tabs as they are important resources for you.

**Parent Portal** – There are two main tabs here. The first is the Family Access Module or FAM. This is where you make changes to your authorized pick-up list, update contact information and access the school directory. The second tab is School Forms On-line or SFO. This is where you go to complete all school forms prior to the start of school and throughout the year as needed.

**Forms and Information** – The DVMS Parent Handbook is housed here. You can also get Work Hour, Expense Reimbursement, Authorization to Administer Medication, School Field Trip Acknowledgement forms here.

More changes are coming, so please check back often!
We had a blast at the Ice-Cream social yesterday! Scroll down to see some photos courtesy of Sancha Bhukkarat. Let’s continue the fall fun at our next family event: Mark your calendars and REGISTER HERE for the Butterfly Fun Run Festival - one of the most fun family events of the year!

Come to run (or take a relaxing stroll!), and stay for fun at the Lafayette Reservoir on the morning of Sunday, 10/6. After a successful first year last year, we’re making it even more fun by adding in all your festival favorites from DVMS’s beloved Oktoberfest like face painting, pumpkin bowling and a new monster truck race!

You don't need to register for the run to play, so you can purchase festival tickets separately. However, we've added some extra perks to encourage you to get a little fresh air. *Did anyone say donut on a stick?* Kid runners/walkers can get an all access pass with unlimited play! Register by 9/20 before prices go up!

**VOLUNTEERS NEEDED:** This amazing event can’t run on it’s own. *yes…pun intended*. There are so many volunteer opportunities still
available from managing booths to set up and clean up, so SIGN UP now to volunteer and start fulfilling your work hours!

Upcoming Dates

Mark Your Calendar
