It is hard to believe that the summer is winding down and the next school year is just around the corner. There are so many wonderful things planned for this coming year! Be sure to pay close attention to any and all e-mails from DVMS as they include important information about upcoming events and your children's classroom.

DVMS is a partnership that engages all members of our community. Parents, your contributions are vital as we aim to provide a wonderful environment for the children. Please take a moment to complete the following survey to share how you can share your talents with DVMS:

## **2022-2023 School Year Enrollment**

Tomorrow, July 22 is the final day to submit your children's enrollment forms. All required forms are in your Parent Portal.

A few reminders:

- \* All children need an updated immunization record
- \* The Authorized Pick Up form is to list adults, other than parents, that are authorized to pick up children such as grandparents, nannies, friends.

You will receive an e-mail the first week of August with the list of PIN codes for signing the children in and out. Parent PINs will remain the same as this year. All other authorized pick ups will be assigned a new PIN.

\*\*\*Every adult must use their own PIN.

## **Campus Improvements**

The first week of August is all about getting ready for the new school year. So much work to do to make DVMS a beautiful environment to inspire learning all year long!

There are several projects around campus that are just perfect for parents to help with.

It's a great time to get your work hours in!

Here is a partial list of jobs needed:

1. Painting shelves
2. Painting classrooms
3. Painting a raised garden bed
4. Fixing steps
5. Hanging curtains
6. Refinish outdoor benches
7. Re-caulk and seal kitchen back splash

If you are available on August 1st, 2nd, or 3rd anytime between 8am - 4pm let us know to help with any of these projects, e-mail Melissa ([mbippart@dvms.org](mailto:mbippart@dvms.org)).
