What a gorgeous week! Our infants and toddlers have been soaking up the sun on the playgrounds, enjoying the cooler days. Our Buttercups are exploring the wonders of the ocean and the preschool children are busy learning at Camp DVMS!

Last week I let you know that the Back to School Enrollment forms would be available by today. Well, our database platform had a different timeline which resulted in a few delays. Rather than rush the packets out to you today, Sheryl and I want to make sure every detail is covered. Early next week, you will receive an email with your child's classroom placement for 2022-2023 and all enrollment forms will be uploaded into your Parent Portal. Thank you for your patience!

Work Hour Volunteer Opportunity!

The Poppy Class would love your help to refresh the room! On Saturday, July 16 we need parents to join the painting party. If you can give a couple hours of your time, please let Melissa in the office know.

Wishing you a restful weekend,
Jayne

Updated COVID Policy

Contra Costa County recently revised the COVID-19 guidelines for schools and child care settings. As a school, we have consistently followed the county's lead in establishing our DVMS policy.

The updated guidance no longer differentiates between a home/community exposure and a school exposure. Whenever a student or staff member is a close contact to a positive case, they may continue attending DVMS **as long as they are symptom-free** and follow testing protocols. We trust that in the event of a home exposure, the child or staff member is isolating properly from the positive case.

The updated DVMS COVID-19 Policy is attached for your review.
