Message from Jayne

Hello DVMS Families,

It is hard to believe that we have already arrived at the end of June with the holiday weekend approaching quickly. Reminder, DVMS is closed this coming Monday, July 3rd and Tuesday, July 4th in recognition of the Independence Day holiday.

This is peak summer vacation time. If your family is planning some time away, please inform your classroom teachers. Many of our staff also have vacation time coming up. It always helps planning our schedules when we know how many children to expect each day.

We have received lots of calls and e-mails asking about the 2023-2024 school year. The wait is almost over! Our admin team has been busily putting all the details together for you. Be sure to check your e-mails next week for important enrollment information. More details are below.

Please reach out to us if you have any questions, comments, or concerns.

Wishing you a wonderful holiday weekend,
Jayne

2023 - 2024 School Year Enrollment - Next Week

Next week you will receive an e-mail with your child's classroom and teachers for the 2023-2024 school year. Additionally, the enrollment forms for 2023-2024 will be available in the Parent Portal. Please review and complete the information for your child(ren) at your

earliest convenience so we may prepare for the new school year.

There are a lot of forms! We appreciate your attention to the details and rely on accurate information for our records. Some tips and answers to popular questions:

- For returning families, your information auto populates. Please review details such as addresses, phone numbers, e-mail address etc. to ensure we have your most up to date information.
- Make sure to click on both the "student" and "family" tabs in the portal to access and complete all the forms.
- The Authorized Pick Ups form asks for the names and phone numbers of trusted adults to pick up your child. **Please do not list yourselves (parents)** as you are automatically "authorized". This list will generate the PIN used for signing in and out. Parents, your PIN remains the same each year. Everyone else will be assigned a new PIN to use in the new school year.
- Yes, a new immunization record is required every year
- The Extended Care form is optional. Only complete this is if you are requesting extended care. Please note the available options for your child.
- For children who may be eligible for the Kindergarten Enrichment program (born in 2018), that enrollment form will be available later in August

Please let us know if you have any questions regarding the forms and information in the enrollment packet.

DVMS Family Fun

Thanks to our Parents' Club, DVMS has been invited to some exciting shows at the Chase Center in August - Hot Wheels Monster Trucks Live and Cirque du Soleil: Corteo.

Below is the link to purchase tickets. Please note: the two shows span a number of dates and times and we have a variety of ticket price points to choose from, so if you'd like to link up with others you'll need to coordinate with them when you purchase your tickets (DVMS doesn't have blocks of seats assigned; it's first come first serve). Feel free to share this link with extended

family and friends.

Volunteer Opportunities

You may have noticed we STILL have a very large pile of wood chips in the parking lot. Thank you to everyone who have already spent hours working away moving the bark and refreshing the play yards. It's amazing how big that pile really is. If you have an extra hour or two to help, please [click here](#) to sign up!

[Click here](#) to find out about the other opportunities available to volunteer or check out the links on our web page. Keep checking back as more items will be added. These are great opportunities to fulfill your family's 15 hour work hours commitment before the end of July.
