## **Greetings from Nashville!**

This week Jayne, Sharon Duarte, Christina Sands, Demi Mason, Lana Burmenko, and Carly Grote are attending the American Montessori Society's annual conference. This conference is the largest gathering of Montessori educators from across the country and around the world. We are life long learners! This opportunity to meet other Montessorians and participate in workshops will inspire our work when we return to DVMS.

Thank you to all who donated to the DVMS Annual Fund, making this experience possible.

## Back to the 80s Auction

Next Saturday is our Back to the 80s auction, the largest fundraiser of the year for DVMS. Thank you to everyone who went ALL IN for DVMS, Your contributions help support the amazing work that happens each day.

Each classroom identified something that will enhance your children's experience at DVMS - the Fund A Need project. For families that already went ALL IN, a portion of your contribution is dedicated to these projects. If you haven't had a chance to go ALL IN, or simply wish to contribute to a class Fund A Need, this is your chance.

Every preschool child loves their Outdoor Classroom and Movement Day! These classrooms also have a Fund A Need project. To contribute, please [click here](#).

---

## MOVEMENT CLASS

### FUND-A-NEED

# AIR CONDITIONING UNIT FOR ROOM

The Class Fund-A-Need portion of this year's action supports a specific, measurable and urgent need from each class. We have partnered with our teachers to identify a project that will improve the class experience for each child - **now and for years to come.**

The DVMS children are full of energy and can really work up a sweat while enjoying the Lotus Class experience. Help us keep everyone cool as a cucumber by contributing to our new air conditioning unit in the Movement Classroom!

**Every contribution counts.** Classes with 100% family participation ensure the project goal can be met and will also be rewarded with a special picnic party on the field with Jayne.

**DONATE NOW**

## COSMOS CLASS

### FUND-A-NEED

# OUTDOOR PUMPING JOB

The Class Fund-A-Need portion of this year's action supports a specific, measurable and urgent need from each class. We have partnered with our teachers to identify a project that will improve the class experience for each child - **now and for years to come.**

This Pump Works activity is designed to make the children more independent. The physical act of pumping with the gratification of seeing the water flow from the pump is sure to bring a smile to every child's face.

**Every contribution counts.** Classes with 100% family participation ensure the project goal can be met and will also be rewarded with a special picnic party on the field with Jayne.

**DONATE NOW**
